

2024-2025 SEVENTH GRADE REGISTRATION FORM

Name (Print) _____ Gender _____ Date _____

CORE COURSES

Students will be placed in five (5) core classes based upon recommendations.

- English or Honors English
- Math or Honors Math*
- Science or Honors Science
- Soc. Studies or Honors Soc. Studies
- Career Development & Health/PE

**This course a required prerequisite for 8th grade Honors Algebra I.*

*Honors courses are designed to prepare students for the Advanced Placement Program. They move at a faster pace, contain challenging material, and will require additional work, per course, outside the normal class day. If your child did not receive a recommendation for an Honors course, you may opt to sign a parental waiver for Honors placement. However, please be advised that you may need to provide additional educational support for your child since Honors courses are rigorous and grades will be indicative of how well a student performs on advanced coursework. **The deadline for waivers to be submitted for consideration of Honors placement is July 31, 2024.** After this date, waivers will only be accepted if a student's data supports Honors placement and space is available.*

ELECTIVE COURSES

Each student will take two (2) electives. Elective course descriptions can be found on the reverse side.

Reading
Visual Art I
Choir
Intro to Forensics
Academic Acceleration
Physical Education
Clarinet*
Flute*
French Horn*

Please indicate 1, 2, 3, and 4 for your elective choices in order of preference, with 3 and 4 serving as alternates due to space availability or other scheduling issues.

*Band (Approval Required):

Students only may select the instrument they were assigned at band auditions.

Football/Boys Basketball:

Football and basketball are during the same class period. If you sign up for both and make the basketball cut in May, you will be placed in football. When football season ends, you will switch over to basketball.

Volleyball/Girls Basketball:

Since these two sports are during the same class period, students who sign up for both will be placed in volleyball (pending May tryouts) with the opportunity to try out for basketball when volleyball season ends.
